Not only that, but since "Robloxian life" lasts so long, many players have to pay to charge their battery or buy power packs and if players don't have enough money to spend, they can lose interest.

In 2011, ROBLOX explored new territory by releasing a single player/non-multiplayer title called 'Toy Defense'. Other notable games released around this time were "Dragon Knights", "Ancient Amulet", and the new version of "Capture the Flag" titled 'Capture the Flag 2'. On February 24, 2012 ROBLOX released another downloadable game titled "Rage Parking Simulator 2012". The success of Rage Parking Simulator 2012 (Rage for short) led to the creation of more downloadable games including, but not limited to: "Hoverboard Racing", "Build to Survive", and "Mech Warfare". On March 15, 2015 ROBLOX ported Rage to mobile devices on Google Play.

Rated 5 out of 5 by Anonymous from I love this game! ROBLOX is the best game ever! I have been playing it for over 2 years and it has never got boring! There are over 1 million games on it so there is a huge variety to choose from. Rated 4 out of 5 by Anonymous from IMPROVES MY CREATIVE SKILLS This game is really fun you can be a teacher a doctor or even president with your friends or just by your self, this game teaches me lots of things like: building, acting and more things that makes me get better at life.

This is one of the most reliable options out there that you can use if you need free robux on roblox right away. This will be more than enough for you to enjoy getting free robux on roblox without having to spend any money!

I love Roblox, but there are some things that I don't like. My favorite aspects of Roblox are that it's fun and easy to play with my friends online, and it has funny ways of making you laugh or feeling nervous. My least favorite aspect is that if you use your neighbor's computer (turn it on/jack in) you can't change your username or skin. Also, there are players who break laws such as swear words, so they get banned from Roblox for doing so. I don't think Roblox should be edited at all, but just taken off.
